**COMUNE DI FONTANAFREDDA**

**NEW REFUSE SEPARATION  
COLLECTION PROCEDURES**

**01 MARCH 2010**

**Lt Col Bloomer  
31<sup>st</sup> CES/CC**

## *Why this is Important?*

---

**WHY?** Good refuse separation collection reduces by  $\frac{3}{4}$  urban waste disposal problem

**HOW?**

Street Containers: Wet waste (some areas), glass

Removing street containers and separating wet waste from dry recyclable materials

**NEW!** The new collection system (1 Mar), with strong integration of most techno advanced recovery plant facilities, guarantees same results of existing "door-to-door service" with less costs

# Recycling in Fontanafredda

---
