

## Yellow area – discover destinations & activities in Friuli!

Friuli, the region you currently live in, is finally a Yellow area.

Please remember it's a **Yellow Plus** – meaning you are not allowed to travel to other regions BUT still there's a lot to be discovered just around you!

### City tour: Sesto al Reghena

It only takes 20 min from Pordenone to get there, and you'll be surprised by how many hidden – treasure corners you'll find! Totally pedestrian and bike friendly, the town offers an Ancient Abbey with its park from the VIII century, a Middle Age city center with Towers, Palaces and Villas, bridges crossing all around the town over the Reghena river. Awarded as one of the most beautiful Hamlets in Italy, it only waits for your visit!

The lagoon is not only Venice.. Visit Marano Laganare! Built as a Fisherman village, this is an area of extraordinary scenic beauty that is home to a unique fauna and flora of great natural value. Its wetland vegetation and the singularity of the fishermen's settlements, the typical "casoni" made from cane and wood, make this location one of the most interesting places in the Upper Adriatic.

### Miramare Castle and Park

Just 10 minutes from Trieste, this Castle and its park are simply jewels facing the Sea, an example of great harmony between art and nature, also including a Marine park and its Visitor centre.

The park is open every day 8AM-5PM while the Castle is open Mon to Fri 9AM-7PM
