SELF-DECLARATION FOR ENTRY INTO ITALY FROM ABROAD

(to be sent to Airport of entry in Italy)

The undersigned _____,
date of birth _____ place of birth _____,
citizenship _____, resident in _____,
is aware of the criminal consequences in case of false declarations or deeds and the penalties provided by Article 2 of Decree-Law No. 33 of 16 May 2020,

DECLARES UNDER HIS OWN RESPONSIBILITY

1. to be aware of the COVID-19 containment measures in force in Italy and, in particular, of the provisions contained in the Prime Ministerial Decrees and Ministry of Health's regulations;

2. that ☐ I am not positive for the coronavirus

   or

3. that ☐ I had positive RT PCR test, but I've strictly followed the health protocols laid down by the authorities of the country where the test was carried out and that I've observed 14 days of isolation since the last date of symptoms and I am no longer subject to quarantine measures by the local authorities;

4. to enter Italy from _____, via (list countries of stay or transit in the last 14 days) _____
   by (indicate carrier used and number) _____;

5. to be aware of the measures applied by Italian Air Force (see Annex) which require:
   - certification of a negative molecular or antigenic test, carried out by means of swab with negative result, within 72 hours before entering the Italian territory, or carried out within the following 48 hours after entry into the national territory;
   - 14-day period of health surveillance and fiduciary isolation (only for countries listed in Groups D, E & F) at home or place of stay specified below:
     Address _____ ; Phone number _____ ;
     Local Health Authority where the test will be carried out _____ ;

6. that, once arrived in Italy, I will reach directly and in the shortest time possible the address indicated in the previous point by the following private or own means _____ ;

7. that the telephone numbers at which communications are to be received during the entire period of surveillance health care and isolation are:
   Commercial/mobile nr. _____

For short stays or transits (no more than 120 hours between arrival and departure) personnel from countries listed in Groups D & E are not required to undergo a 14-day period of health surveillance and fiduciary isolation (negative result of a molecular or antigenic carried out within 72 hours before entering test still required).
