**Statement of Understanding:** In accordance with AFI 32-6000, *Family Housing Management*, the Housing Office must brief members on various housing aspects and also provide a Housing Brochure/Packet containing important information on searching for a house, rental clauses, allowances, etc. In order to ensure every member is thoroughly briefed, you must acknowledge that you have read and understand the Housing Brochure/Packet. This acknowledgement is covered with the Statement of Understanding at page **2** below.

## CERTIFICATION OF UNDERSTANDING

I, \_\_\_\_\_ certify I have been advised that school bus transportation is provided within the commuting area established by the DETMO office. I acknowledge that if I obtain housing outside this area, I must transport my dependent student(s) between my residence and the school or an existing school bus stop at my OWN expense

.

Further I understand that if I accept housing in a town currently within the commuting area, but the town is scheduled for future deletion of service, I will only be provided school bus service until the town gets deleted from the commuting area. After that time, it will be my responsibility to transport my dependent student(s) between my residence and the school or an existing school bus stop at my OWN expense.
