Comune di Cordenons

Dear Citizen,

Starting 1st July 2019 Non-Recyclable Dry Waste door to door pickup service will be performed every two weeks instead of once a week as it was previously. The Municipal Administration in collaboration with GEA Gestioni Ecologiche e Ambientali s.p.a., is working to ensure a more rational, efficient and economic waste collection system. Municipal territory has been divided in two areas/zones (zone 1 and 2) of intervention and dry waste pickup will be performed every two weeks. Zone 1 and 2 are shown in the following map in which are included the name of the streets also.

thank you in advance for your kind availability and support.

Best Regards,

L'Assessore all'Ambiente, Agricoltura,  
Sicurezza, Tutela Animale  
*Lucia Buna*

Il Sindaco  
*Andrea Delle Vedove*

 **WE REMIND YOU THAT ALL OTHER COLLECTION SERVICE  
REMAIN UNCHANGED. FOR FURTHER INFORMATION PLEASE,  
CONSULT THE REFUSE CALENDAR 2019 OR CALLING DSN 632-2511**

**Do you still have doubts in what you can place inside the dry waste container? Let's make a review:**

**✓ YES:** receipts, dirty paper, cleaners, plastic covers, oil paper (food packaging) cotton, disposable plastic cutlery disposable razors, lighters, small ceramic objects, diapers, bedpans/incontinence pads, sanitary napkins, VHS, audio-tapes, DVD, CD, pet litters in synthetic or mineral materials, x-rays, sponges, cotton bud, rubber gloves and generic gloves, vacuum cleaner bags, toothbrushes, brushes

**✗ NO:** waste that may be separated and disposed of with paper, plastic, aluminum and metal, glass and organic waste. Large durable goods, electrical and electronic household appliances, garden waste, expired medicines, batteries and AAA batteries, construction debris
